

The Returned Heirs

Written by S. Kamfonas

FAITH REMEMBERS SHE IS ACTUALLY THE PRINCESS CRYSTAL BOUCHARD AND THAT HER LIFE IS STILL AT RISK...

Commonly believed to have been murdered with her brothers, Princess Crystal is forced to accompany her fiancé, King Sebastian, on a royal tour to gather support for his leadership.

Unrest grows around the king's upcoming inauguration to the throne, and an opportunity for a coup arises, further threatening the stability of the kingdom.

As secrets from the past reveal themselves, Crystal's claim to the throne is stronger than ever, but only if she can rise up and assert it.

Threats abound, and Crystal is in danger of losing those she loves most...
