ZACK'S MAGIC IS GROWING IN POWER...

In service of the Tower, a hidden organisation, Zack and his friends fight monsters, travel to magical realms and protect the world, unbeknownst to most.

But Zack's final year of high school also has its own demands.

His dream girl remains just out of reach, and his magic is not yet strong enough to heal his dying grandmother. After copies of a strange ritual emerge, Zack and his friends are assigned to a secret mission to uncover the plot of renegade mages and find out whether the trail leads them back to the Tower.

The mission will test the teens, their burgeoning magical abilities, their resolve and their friendships. With the future of the Tower, and the world at large, on the line, Zack will discover if he is up to the task set before him.

Most of all, he will have to decide what he's willing to sacrifice to save the world...

ABOUT THE AUTHOR

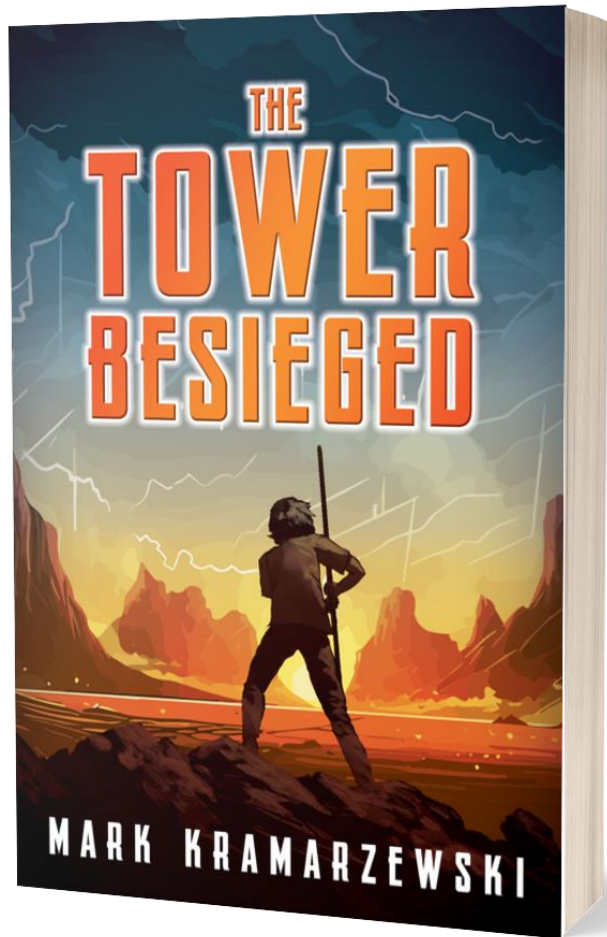

Mark Kramarzewski was born in Sydney and now lives, works and writes in Canberra, Australia. He is married and a father of two young children with whom he is dedicatedly instilling a love of reading, fantasy and adventure. He enjoys building fantasy worlds for his family and friends to play and tell stories within.
