## EVER DREAMED OF BEING A HACKER?

In this thrilling second instalment to the *Foresight* series, *Shadow* offers a fresh insight into the opposing hacker of the series – Shadow.

Shadow must make choices that will lead him down many paths that were never expected in the outset.

Find out what makes Shadow tick and experience the thrilling events from *Foresight* with a completely new perspective.

*Shadow* is fun, dangerous and dives further into the hacking world which *Foresight* first exposed.

*Will the possibilities of the digital world help Shadow find his place in reality also...?*

## ABOUT THE AUTHOR

Craig is a cybersecurity engineer and ethical hacker. He has a Master's in Management (Information Technology) and a Master's in Information Systems Security from Charles Sturt University. He was awarded the AISA (Australian Information Security Associated) Cyber security professional of the year in 2020. Craig joined the AISA Queensland committee in 2020 before being elected the AISA QLD branch Chair in June 2021 where he remained until January 2023, before being appointed to the AISA board of directors in January 2023.

Craig is a regular columnist for "Women in Security" Magazine and has contributed to the project since its inception in early 2021.

He is also a regular contributor to the Top Cyber News, Cyber Today, Cyber Australia and the Careers with STEM magazines.

Craig has two previous books *A Hacker, I Am* and *A Hacker, I Am - Vol 2* which were self-published. These are cybersecurity awareness books that try and help educate everyone on how to be safer in this connected world.

Craig also has the first book in this series *Foresight* which has been published through Shawline and an upcoming children's cyber awareness book that he co-authored with Caity Randall called *The Shadow World*.

## A CONVERSATION WITH THE AUTHOR

### WHAT DREW YOU TO THE SUBJECT MATTER OF 'SHADOW' AND TO THE CHARACTERS WITHIN?

*I have always had an interest in ethical hacking and the cyber world; it's what I do for a living. I wanted to share this with a new generation, share the love for this space and see if I could help create that spark in others that I carry.*

### WHAT ARE YOUR PLANS FOR FUTURE BOOK/S?

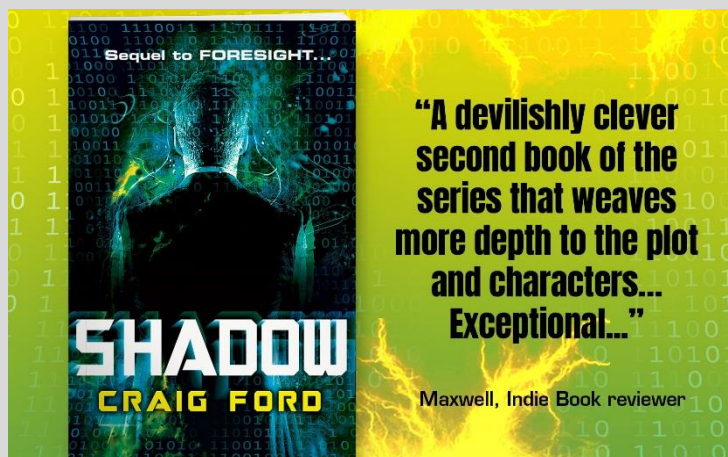

*I have already written the third instalment for this series and started the fourth one as well. I have co-written a cyber awareness book with Caity Randall that will be out in 2023 as well with potentially more to come.*

### WHEN DID YOU FIRST REALISE YOU WANTED TO WRITE?

*I honestly don't recall a specific moment. I started doing cyber journalism work and just found I loved it. I started that because I saw a need to talk about issues that no one else was. Writing these books just formed from there.*

### WHO INSPIRES YOU TO BE YOUR BEST SELF?

*My kids. I want to be the best version of me I can, to show them that you can achieve anything you set your mind to.*
